

**MOST**

of the people fail to lose weight because lack of exercise and patience

of the slimming product contained illegal drug that increases heartbeat rate and causes cold sweat

**TURBO-SLIM!**  
The pleasure of slimming that has never been experienced

Losing weight is not an easy task. If there is a product that easy slim in 2 week without suffering from increase in heartbeat rate and cold sweats, that is TURBO-SLIM

**SLIM!  
DOWN!**

Most ladies like themselves now after slimming

**1**

**Consume Steps (Mix with water)**

- Eliminate fat
- Inhibit fat synthesis
- Provide Satiety
- Detoxify
- Skin whitening

**Have a cup Before Lunch**

**Have a cup Before Dinner**

**Fat Decomposition**

TuTu main ingredients come from citric and hawthorn berries juice. It helps to decompose saturated fat, inhibit synthesis of body fat and improve detoxification

**2**

**Consume two tablets Before Sleep**

**Detoxify first before lose weight**

**Consume Steps (Chew and swallow with water)**

- Reduce edema, lymphatic and fat drainage
- Eliminate fecal impaction
- Can eliminate pesticides, heavy metals, mercury, chemical additives

Perennial toxins accumulate in the body will slow down the metabolism which lead to obesity, dull skin and lymphatic blockage. If body unable to detoxify for long time, it will accumulate a large amount of toxins, which may cause colon cancer. D360 is the purpose of improving these issues

**Metabolism Slimming / Natural Ingredients**
